FERPA Waiver

Complete by 3/01/18.

I request that a Letter of Evaluation of my academic performance and personal qualifications be provided by you for my application to health professions schools.

I understand that your Letter of Evaluation may become a part of a composite Letter of Evaluation that is prepared by the University, may be transmitted verbatim to one or more health professions schools by the Office of Health Professions Advising.

In compliance with University policy and the Family Educational Rights and Privacy Act (Buckley Amendment):
I may inspect this Letter of Evaluation unless I waive my right of access to the Letter of Evaluation. I understand this right. I understand that professional schools prefer that I make my file confidential.

I waive my right to inspect this Committee Letter of Evaluation at any time (Confidential)

I do not waive my right to inspect this Committee Letter of Evaluation at any time (Non-confidential)

I understand the FERPA Waiver agreement and certify the integrity of my application

Self-Evaluation

Complete by 3/01/18.

To be a successful candidate for a health professions program and a practitioner in your field, you should periodically perform a self-assessment to help discern both your strengths and weaknesses, and areas you can improve upon. This evaluation tool serves as a method to help you evaluate your current preparation for professional school. Your personal competencies are also important for you to reflect on and honestly and holistically assess your developing profile as a prospective applicant.
