

MOBILE NOTES : WHERE TO BUY >>>

From **GLOBAL NAVIGATION**

Product Locator Application

On click/tap of “**Where to Buy**” button link from GLOBAL NAVIGATION (icon), launch the Product Locator/Buy Online Destini widget with Product dropdown and zip code input fields.

- 1 **Find In Store** is loaded by default. Use Destini best practices implemented with Sir Kensingtons <https://www.sirkensingtons.com/product/mayonnaise>
- 2 **Buy Online** This tab includes online vendor graphic, price and BUY NOW button in each cell block.
- 3 **Online Vendors page** On tap of vendor container, direct to this page displaying all products that online vendor offers. On tap of “BUY” launch that online vendors website in a new tab.
